

Strcpy, Strncpy, and Strlcpy

Strcpy:

While not \0

{copy}

Return **dest**

Strncpy:

While not \0 and i < n

{Copy}

While i < n

Null end the rest \0

Return **dest**

Strlcpy:

Do strlen

If size != 0 // if size is 0 return strlen

{

While not \0 and i < size -1

 {

 Copy

 }

 null terminate

}

Return **strlen**
